

COOKIE POLICY

Last Updated: June 2026

1. Introduction

This Cookie Policy explains how NomadsSecure Group Pvt Ltd ("NomadsSecure", "we", "our", or "us") uses cookies and similar technologies on our website, www.nomadssecure.com.

This policy should be read together with our Privacy Policy, which explains how we collect, use, and protect personal information.

By continuing to use our website, you agree to the use of cookies in accordance with this Cookie Policy.

2. What Are Cookies?

Cookies are small text files stored on your computer, smartphone, tablet, or other device when you visit a website.

Cookies help websites function efficiently, remember user preferences, improve website performance, and provide insights into how visitors interact with the website.

Cookies do not typically contain information that directly identifies an individual, but they may be linked to information you voluntarily provide.

3. Why We Use Cookies

We use cookies and similar technologies to:

- Ensure proper website functionality
 - Improve website performance and user experience
 - Understand visitor behavior and website usage
 - Analyze traffic patterns
 - Measure marketing effectiveness
 - Remember user preferences
 - Improve cybersecurity and website security
 - Enhance website content and services
-

4. Types of Cookies We Use

A. Essential Cookies

These cookies are necessary for the operation of our website and cannot be disabled through our systems.

They help with:

- Website navigation
- Security features
- Form submissions
- Load balancing
- Session management

Without these cookies, certain parts of the website may not function correctly.

B. Functional Cookies

Functional cookies allow us to remember your preferences and settings to provide a more personalized experience.

Examples include:

- Language preferences
 - User interface settings
 - Previously selected options
 - Form information retention
-

C. Analytics Cookies

Analytics cookies help us understand how visitors interact with our website.

These cookies collect information such as:

- Pages visited
- Time spent on pages
- Visitor navigation patterns
- Device and browser information
- Website performance metrics

We use this information to improve our website, services, educational content, and user experience.

D. Advertising and Marketing Cookies

Marketing cookies help us understand the effectiveness of our advertising campaigns and improve our marketing efforts.

These cookies may track:

- Website visits originating from advertisements
- Campaign performance
- User engagement with marketing content

These cookies help us provide relevant information about our cybersecurity, AI, consulting, digital marketing, training, and educational services.

5. Third-Party Services That May Use Cookies

Our website may use cookies from trusted third-party service providers, including:

Google Analytics

Used to analyze website traffic, visitor behavior, and website performance.

Google Ads

Used to measure advertising performance and improve marketing campaigns.

LinkedIn Insight Tag

Used to measure engagement from LinkedIn campaigns and understand visitor interactions with our website.

These third-party providers may collect information in accordance with their own privacy policies.

We encourage users to review the privacy policies of these providers for additional information.

6. Educational Content and Student Visitors

NomadsSecure provides educational content, cybersecurity awareness resources, technology guidance, career insights, and training-related information that may be accessed by students and young learners.

Cookies used on our website are intended to improve website functionality, learning experiences, security, and performance and are not designed to knowingly collect personal information from children without appropriate consent where required by law.

7. Managing Cookies

Most web browsers allow users to manage cookie preferences.

You can:

- View stored cookies
- Delete existing cookies
- Block cookies
- Configure browser settings to notify you when cookies are used

Please note that disabling certain cookies may affect website functionality and your overall user experience.

Helpful browser support resources include:

- Google Chrome
 - Mozilla Firefox
 - Microsoft Edge
 - Apple Safari
-

8. Do Not Track Signals

Some browsers offer a "Do Not Track" (DNT) feature.

Because there is currently no universally accepted standard for responding to DNT signals, our website may continue to operate normally regardless of such settings.

9. Updates to This Cookie Policy

We may update this Cookie Policy from time to time to reflect:

- Changes in technology
- Changes in applicable laws
- Changes in our services
- Changes in website functionality

The updated version will be posted on this page with a revised "Last Updated" date.

10. Contact Us
